STUDENT COUNCIL

Even though the year is coming to an end and we will go our seperate ways it doesn't mean goodbye. Goodbye means leaving it all behind.We are Taking the memories we have acquired, the friendships and the knowledge and applying it to each step we take towards the future. So when we leave Berkley Middle School and spread our wings remember who helped you learn how to fly. If you set your mind towards excellence, you won't be disappointed.. Life will throw crazy things at us, but we are ready to face them, no matter where we are.
